

## WOULD ABANDON MONROE DICTUM FOR THE LEAGUE

Buenos Aires Organ Says  
South America Would  
Adhere to Past.

### CITES HARDING PHRASE

Told the 'Nacion' Doctrine  
Was Protection Against  
European Aggression.

### BUT EQUALITY IS WANTED

Former Brazilian President  
Says American Abstention  
Imposes No Reserve.

By the Associated Press.  
BUENOS AIRES, Nov. 7.—Commenting  
on the Presidential election in the United  
States, the Nacion to-day says:

"Confronted with the dilemma of  
abandoning either the League of Nations  
or the Monroe Doctrine the Latin-American  
countries probably would choose to  
abandon the latter. Many persons in  
the United States have believed that the  
various South American countries, mem-  
bers of the league, would withdraw in  
order to follow the policy inspired by  
the United States and opposed, naturally,  
to the league.

"The declaration on the Monroe Doc-  
trine Senator Harding made to the cor-  
respondent of the Nacion hardly seems  
an adequate cause why the South Amer-  
ican members of the league should  
abandon it. In effect, Senator Harding  
told our correspondent that the Monroe  
Doctrine was not an international pact  
or agreement, but a declaration of pol-  
icy by the United States which promised  
protection against abuses or aggressions  
by European nations, precisely an in-  
terpretation which causes the greatest  
resistance from most, if not all, of these  
countries and which is contrary to the  
interpretation President Wilson has  
given, according to which the doctrine  
established among the American nations  
a most perfect equality, an equality that  
cannot exist if the question of protection  
that is not asked is the product entirely  
of the one-sided resolution of a Power  
declaring itself the protector against  
slanders in which no one believes."

PARIS, Nov. 7.—Nilo Pecanha, former  
President of Brazil, discussing the  
United States and the League of Na-  
tions, is quoted by the Temps as saying:  
"The eventual abandonment of the  
League of Nations of the United States  
at whose side we entered the war, far

from imposing a similar reserve upon us,  
obliges Brazil to watch over the prin-  
ciples and ideas the two countries stand  
for."

Senhor Pecanha regards the interna-  
tional court as advocated by Elihu Root  
as the most important question coming  
before the Geneva conference, and cites  
the Supreme Court of the United States  
as an example of what such a court  
might be.

### DUBLIN POLICE SHOOT TWO IN ATTACKING MOB

Sinn Feiners Steal Rifles  
From Glasgow Hall.

DUBLIN, Nov. 7.—An attack by a mob  
on two policemen last night culminated  
in the shooting of two civilians, one of  
them seriously. The affray caused a  
great panic, as crowds of people were  
seen leaving the theatre.

The policemen, who fled from the mob,  
fired their revolvers at their pursuers.  
One policeman was captured and thrown  
in the River Liffey, but was rescued by  
other police.

LONDON, Nov. 7.—Several hundred  
rounds of ammunition and a number of  
rifles have been stolen, it is reported,  
from the Orange Hall, in the  
Cowcaddens district of Glasgow.  
The words "Commanded for the Irish  
Republican Army" were chalked on the  
wall of the hall.

### IRISH TOWN ALMOST STARVED IN REPRISAL

Seven Volunteers Reported  
Killed Near Tralee.

DUBLIN, Nov. 7.—Seven volunteers are  
reported to have been killed in a fight  
at the Causeway, near Tralee, Friday.  
Seventy-four arrested were made in  
Cork during the curfew hours Saturday  
night.

The town of Tralee is reported fast  
approaching starvation in consequence  
of the recent police order forbidding the  
carrying on of business until two miss-  
ing policemen are returned by the town-  
people. Trade is paralyzed, the banks  
and bakeries even being closed, and the  
condition of the people is becoming de-  
perate. An additional military order  
forbids the holding of fairs and mar-  
kets or assemblies of any kind within a  
three mile limit.

### ITALIANS TAKE NOTE OF TERROR IN IRELAND

Catholic Leader Says Italy  
Cannot Be Indifferent.

ROME, Nov. 7.—The declaration of the  
Irish Catholic Bishop, who several  
weeks ago met at Maynooth and signed  
a resolution denouncing "terrorism, par-  
tiality and failure as characteristics of  
the present Irish Government," has at-  
tracted considerable attention here.  
Its publication in the Corriere d'Italia  
has elicited a remarkable letter from  
Deputy Mauri, one of the leaders of the  
Catholic party, who declares that "Italy  
cannot remain indifferent to the de-  
plorable cry of martyred Ireland," and  
adds: "The time has come for Italy to  
know and realize the cruelties of the  
English troops serving as police and  
their systematic work of destruction."

## FIVE POLICE SHOT IN LONDONDERRY RIOTS

Two Sinn Fein Stores Burned,  
Several Others Wrecked  
and Homes Searched.

BELFAST, Nov. 7.—Londonderry was  
the scene of a savage outbreak last  
night as a sequel to a sudden attack  
on policemen there. Five policemen  
were shot, two of them so seriously that  
they are not expected to recover, two  
shops were burned to the ground and  
several others were wrecked. All the  
property attacked belonged to Sinn  
Feiners.

The attack on the policemen was di-  
rected against the officers who were  
guarding the Custom House, and a brisk  
exchange of shots followed. Crowds of  
shoppers fled homeward in a panic.  
Afterward the police and the military  
raided a large section of the city, hold-  
ing up and searching everyone they  
found outdoors, and invading and  
searching numerous houses.

Later a hostile crowd assembled in  
Waterloo Square, a Sinn Fein thorough-  
fare, and had to be dispersed by the  
military. Even after the curfew hour  
there was almost unceasing revolver  
and rifle fire for two hours or more,  
with occasional sounds like explosions  
of bombs.

A number of armed men passed along  
William street smashing shop windows  
with the butt ends of rifles, destroying  
the lamps on the electric standards by  
rifle fire and plunging the whole street  
into darkness.

Many persons left their houses and  
spent the night in distant parts of the  
city. Two policemen, who had been  
wounded, were found lying in Foyle  
street.

A fire brigade called to fires in Wil-  
lam street had a thrilling experience.  
Before starting, the firemen appealed to  
the military for aid, and a number of  
armed soldiers travelled on the engines.  
On their way rifle fire was opened upon  
them from both sides of the road. The  
soldiers returned the fire and two men  
were seen to fall.

The official report of the disorders  
says that three constables in plain  
clothes received gunshot wounds, it is  
believed from the military escorting the  
fire brigade. Of two stores wrecked one  
belonged to a member of the London-  
derry Corporation.

Picnic rioting, fortunately confined to  
a limited area, broke out in North Bel-  
fast this afternoon, the neighborhood in-  
volved being known as the Stanhope  
area, which has figured in every distur-  
bance since July. Hundreds joined in the  
fray, the Unionists with stones and the  
Sinn Feiners with revolvers and rifles.

A large body of police made repeated  
baton charges, to keep the factions apart  
until the arrival of military with an  
armored car, when the rioters were soon  
dispersed.

A laborer was shot dead in Cork by a  
military curfew patrol Saturday night.  
The soldiers allege that he thrice disre-  
garded orders to halt.

## IRISH STAGE MARCH AROUND WHITE HOUSE

Will Be Repeated for 73  
Days, They Say.

WASHINGTON, Nov. 7.—Hundreds of  
Irish sympathizers marched for an hour  
to-night in single file around the White  
House as a protest against the recent  
death of Terence MacSwiney, Lord  
Mayor of Cork, who starved himself in  
Brixton prison. The demonstration was  
organized at a meeting of Friends of  
Irish Freedom, and it was announced  
it would be repeated each night for  
seventy-three days, once for each of the  
days MacSwiney fasted before his death.  
President Wilson, it was said, had  
retired and there was no indication from  
the White House that the presence of  
the marchers had been observed.

## TURKS PUT ARMENIANS IN SERIOUS POSITION

Troops Outflanked and For-  
tress Is Taken.

LONDON, Nov. 7.—A despatch to the  
London Times from Constantinople says  
the Nationalists under Kasm Pasha out-  
flanked the Armenians who fell back  
on the fortress of Kars, which was cap-  
tured by the Turks. Alexandropol and  
the railway between Erivan and Tiflis  
are menaced and the situation of the  
Armenians is critical.

Reports from Tiflis indicate that the  
Armenians have yielded to the Moscow  
ultimatum and are offering virtually no  
resistance to the advance of Turkish  
troops from Kars and Alexandropol. The  
occupation of Erivan by the Turks and  
Tatars is also declared to be imminent.

Recent despatches reported a Russian  
Soviet ultimatum to the Armenians de-  
manding that they repudiate the treaty  
with Turkey, break diplomatic relations  
with the Entente and permit the passage  
of Soviet troops through Armenia.

## DIVISION OF TURKEY WILSON POLICY TEST

Protest Expected if Commer-  
cial 'Closed Shop' Is De-  
veloped.

SPECIAL DESPATCH TO THE NEW YORK HERALD.  
WASHINGTON, D. C., Nov. 7.—The  
Wilson Administration is facing  
in the tripartite division of Turkey a  
test of the floating suggestion of a for-  
eign policy it has developed since the  
signing of the Versailles treaty.

While the State Department refuses  
to say what course it will take, it is  
confidently expected it will object to the  
Turkish plan unless it is made clear that  
no special advantages are to be enjoyed  
by the Powers participating in the  
division.

The attitude of the Administration as  
developed at the Versailles peace con-  
ference was against annexations and ac-  
cepted the substitution of "mandates."  
It has later registered its understanding  
of the term mandate to mean that the  
country accepting the mandate shall not  
exercise commercial advantages not en-  
joyed by all other nations. Its position  
has been made clear in the protest to  
Great Britain against British special  
privileges in Mesopotamia and in its  
note protesting against the attitude of  
Japan in northern Saghalin and in  
Siberia.

The Washington Administration also  
made itself clear relative to the general  
policy of territorial grabbing in its note  
to Baron Avezana, the Spanish Am-  
bassador, concerning the Polish inroads  
in Russia.

Pending action by the State Depart-  
ment it is understood Washington is  
seeking additional information concern-  
ing the real purpose back of the Turkish  
division. If it should develop that a  
commercial "closed shop" is to be in-  
stituted there will undoubtedly be a strong  
protest.

Beyond registering a protest it is not  
believed much can be accomplished. The  
attitude of the European Powers hereto-  
fore has been that of a polite suggestion  
that because the Government at Wash-  
ington has sought to deaden interna-  
tional settlements until it could have its  
own way at home on the treaty Europe  
has been compelled to go ahead with a  
view to working out its own salvation.

TOKIO, Nov. 6 (delayed).—The Cab-  
inet, it is reported, has decided to with-  
draw the Japanese troops from the  
Chentao area, along the Korean-Manchu-  
rian border, provided China will under-  
take to maintain order and protect Ja-  
panese life and property. The Diplomatic  
Council has been summoned to consider  
the Cabinet's proposal.

The Hooch Shimen says the Ameri-  
can, British and French governments  
have recently inquired as to how long  
Japan proposed to keep her troops in the  
Chentao area.

PERSHING MAY VISIT BRAZIL.  
General Says No Final Arrange-  
ments Have Been Made.

RIO JANEIRO, Nov. 6.—Gen. Pershing,  
accompanied by a United States naval  
squadron, will visit Brazil late in No-  
vember, according to an announcement  
by the Minister of Marine.

WASHINGTON, Nov. 7.—Gen. Pershing  
to-night said that the question of his  
proposed trip to South America had  
been under discussion here, but that no  
final arrangements had been made  
either as to date or itinerary.
